

**Sycamore Shelf-Life Policy**

Shelf Life means the number of months for which the product will meet Sycamore's BIG WIPES label claims when packed and stored as specified below.

**Sycamore Products Shelf Life**

Group	Product	Type	Canister (Month)		
			Before opening under normal storage	After opening under normal storage	Maximum under normal storage
DIY	Multi Purpose Industrial	Cosmetic	36	12	36
	Multi Purpose Industrial +	Cosmetic	36	12	36
	Multi Purpose Earth-Friendly	Cosmetic	36	12	36
	Adhesive	Detergent	36	12	36
	Grease	Detergent	36	12	36
	Metal	Detergent	18	6	18
	Furniture	Detergent	18	6	18

**Storage Conditions**

1. Shelf life is valid as long as packaging is intact.
2. Shelf life is valid under normal storage temperatures: 23°F and maximum 95°F (stored in the shade).
3. Shelf life is valid when product is used as instructed and lid is re-sealed properly after use.
